

# Round Rock Police Calls for Service at The Creek Apartments, November 2009 to April 2010

Notes:

## Police Calls for Service

1. The source for these data is RRPD's Computer Aided Dispatch database, which tracks calls as they come into the police department. As such, these data are limited in that actual call natures or dispositions may not be accurately captured. Traffic and animal-related calls are excluded.

2. In comparing one apartment complex's police service calls with another, more factors than simply the number and nature of calls must be considered. For example, a larger complex houses more people than a smaller complex and naturally would generate more calls for service.
